November 25, 2020

Dear Staff and Barnum Families,

During full distance learning, currently in place through January 8, 2021, Barnum Schools will do a temperature check each day of students entering either building for services and childcare. Students will check in at the building office for screening before going anywhere else in the building. If the temperature check is normal, and no COVID-like symptoms are present, the student continues with their day. If the temperature check reveals a result of 100.4 or higher and/or any other COVID-like symptoms are present, the student will need to return home. Given the surge in local cases, this will help keep our community, staff and students as safe as possible.

Remember, students should be screened at home each day prior to coming to the school. If your child has symptoms, please communicate with our school nurse, Melissa Johnson, or the building principal. The following link brings you to the home screening tool:

<https://drive.google.com/file/d/1fd8DbigClZ5vofqcjzdbURbg1esRa3F-/view?usp=sharing>

Thank you to the staff, students, and parents for your flexibility and understanding as we all work through this situation. We are all looking forward to resuming in-person learning just as soon as we safely can.

Sincerely,

Mr. Mike McNulty  
Superintendent
