- Students must choose at least **one** activity from each subject area: Math, Reading, Writing, and Science, Social, Health, or Art.
- Color the boxes of the activities completed and have a caregiver/parent sign the bottom of the form. Students, please return this sheet to your teacher or take a picture and your caregiver can email it ([bmoors@isd91.org](mailto:bmoors@isd91.org), [cjordan@isd91.org](mailto:cjordan@isd91.org)) .

Math	Reading	Writing/Language Arts	Science, Social, Health, or Art
Pick a favorite song and play “Shake Rattle & Roll.”	Build a fort and read to yourself inside it for 20 minutes.	Write <u>4</u> sentences about how you spent your e-learning day!	Science: Design and build a fort. Draw a picture of it!
Use Legos or another toy to build 3D or 2D shapes.	Read a nonfiction book and identify nonfiction text features.	Write a silly story.	Social Studies: Draw a map of your bedroom!
Find a ruler, draw a picture, measure, and label all the lines in your picture using inches or centimeters.	Read a book with a flashlight, under a blanket.	Pick 3 sight words you’re practicing at school and practice writing them at home!	Science: Use legos, building blocks, or items of your choice to make a creation from home!
Practice writing and solving <u>20</u> addition or subtraction facts of your choice.	Find a family member, favorite stuffed animal, or family pet to read good-fit books to for 20 minutes.	Look for long vowel words in your house! They might be in books or anywhere!	Social Studies: Tell a family member the Barnum Proud Pledge... “I am kind..” And what it means!
Look at the clock <u>10</u> different times today and write the time.	Retell one of the stories you’ve read at school to a family member or a stuffed animal.	Look for short vowel words in your house! They might be in books or anywhere!	Health: Draw a picture of a healthy lunch! Do you have dairy, protein, fruit, vegetable, and grains?
Count to 200 OR 500 by 5s, 10s, or 100s. Choose at least <u>2</u> ways.	Read a book out loud with a funny voice or your “teacher” voice.	Practice writing your full name and your address and phone number!	Exercise: Move your body for 20 minutes!
