LEAVES OF ABSENCE

SECTION 1. SICK LEAVES:

Subd.1. All teachers will earn sick leave at the rate of 15 days, prorated, credited at the beginning of the school year, for each year of service in the employ of the School District. For example, a teacher working 3.5 hrs/day for a full year will earn 15 days at 3.5 hrs/day, and a teacher working 90 full days a year will earn 7.5 days of sick leave. Should a teacher leave the employ of the School District during the school year, sick leave credited in that year will be prorated to the number of whole months that they actually worked at the rate of 1.66 days per month.

Subd.2. Maximum Accrual: Annual sick leave shall accrue to a maximum credit of one hundred ninety (190) days of sick leave per teacher.

Subd.3. Reasons: Sick leave with pay shall be allowed whenever a teacher's absence is due to the teacher's illness or disability. Sick leave may be used for elective surgery at the discretion of the Superintendent.

- A. An employee may use personal sick leave benefits provided by the employer for absences due to an illness of or injury to the employee's child, as defined in section 181.940, subdivision 4, adult child, spouse, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent, for reasonable periods of time as the employee's attendance may be necessary, on the same terms upon which the employee is able to use sick leave benefits for the employee's own illness or injury. This section applies only to personal sick leave benefits payable to the employee from the employer's general assets.
- B. An employee may use sick leave as allowed under this section for safety leave, whether or not the employee's employer allows use of sick leave for that purpose for such reasonable periods of time as may be necessary. Safety leave may be used for assistance to the employee or assistance to the relatives described in paragraph (a). For the purpose of this section, "safety leave" is leave for the purpose of providing or receiving assistance because of sexual assault, domestic abuse, or harassment or stalking. For the purpose of this paragraph:
- (1) "domestic abuse" has the meaning given in section 518B.01;
 - (2) "sexual assault" means an act that constitutes a violation under sections 609.342 to 609.3453 or 609.352; and
 - (3) "harass" and "stalking" have the meanings given in section 609.749.
- C. An employer may limit the use of safety leave as described in paragraph (b) or personal sick leave benefits provided by the employer for absences due to an illness of or injury to the employee's adult child, spouse, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent to no less than 160 hours in any 12-month period. This paragraph does not apply to absences due to the illness or injury of a child, as defined in section 181.940, subdivision 4.
- D. For purposes of this section, "personal sick leave benefits" means time accrued and available to an employee to be used as a result of absence from work due to personal illness or injury, but does not include short-term or long-term disability or other salary continuation benefits.
- E. For the purpose of this section, "child" includes a stepchild and a biological, adopted, and foster child.
- F. For the purpose of this section, "grandchild" includes a step-grandchild, and a biological, adopted, and foster grandchild.

Subd.4. Evidence of Illness: The final determination as to the eligibility of a teacher for sick leave is reserved to the School District. If there is reasonable

cause to believe that a claim is questionable, a doctor's certificate may be required verifying such absence was due to illness in order to qualify for sick leave pay. In the event that a medical certificate will be required, the teacher will be so advised. If there is a charge for obtaining the certificate, the School District will pay the cost.

Subd.5. Sick leave allowed shall be deducted from the accrued sick leave days earned by the teacher.

Subd.6. Sick leave pay shall be approved only on the submission of a signed request upon the authorized sick leave request form available at the District Office.

Standard practice is six (6) weeks for regular delivery and eight (8) weeks for a C-section accompanied by a physician's orders. Thereafter, a statement from a doctor which verifies the need for additional leave for medical reasons will be needed in order for the mother to qualify for additional leave due to the birth of a child.
- B. During a pregnancy, a doctor's written statement will be needed to verify the need for extended leave due to complications with a pregnancy.
- C. If a teacher requests additional FMLA leave due to the birth of a child, the FMLA leave and sick leave shall run concurrently – starting at the same time.
- D. Paid sick leave is dependent upon the number of sick days a teacher has accumulated.

Subd.8. Sick Leave Bank:

- A. Purpose: The purpose of the Sick Leave Bank is to provide additional sick leave to those members of the bargaining unit who have exhausted their sick leave and have a "medical emergency," defined as "a medical condition of the employee or family member of the employee that will require the prolonged absence of the employee from duty and will result in a substantial loss of income to the employee because the employee will have exhausted all paid leave otherwise available."

- B. Qualifications: To qualify for leave under the Sick Leave Bank:
1. Employees must be contributing members of the Sick Leave Bank.
 2. Employees must have exhausted all accrued negotiated leave.
 3. Employees must provide written verification by an attending physician and submit a written application requesting sick leave days.
 4. Leave to care for relatives and children with a medical emergency will follow the eligibility and limitations of Minnesota Statutes Chapter 181.
 5. Employees who are collecting benefits from long-term disability or workers' compensation will not be eligible to access the Sick Leave Bank. Upon a determination of eligibility for TRA/PERA disability benefits, Sick Leave Pool benefits will cease. A teacher initially denied LTD or workers compensation who ultimately collects benefits will be responsible to cooperate in the repayment of the sick leave bank to the extent permissible.
 6. Employees who are working less than full-time shall be eligible for benefits only for the pro-rata portion of the school day for which they are employed.
- C. Membership: Participation in the Sick Leave Bank will be determined as follows:
1. In order to establish the Sick Leave Bank, each employee who wants to join will donate one (1) sick leave day. Employees who wish to enroll must do so by September 15.

Employees may rejoin the Sick Leave Bank when they make the next requested contribution.
- D. Administration: The Sick Leave Bank will be administered in the following way:
1. An employee must apply for benefits under the Sick Leave Bank by completing the necessary application form.
 2. Application will be submitted to the District Office.
 3. Upon receiving an application, it will be brought forward to the Sick Leave Bank committee, comprised of the Union President, an Administrator, and two union members.
 4. In the event an application is denied, the employee may appeal such denial to a committee made up of three members representing the bargaining unit member and two members representing the School District, one shall be a board member.

These individuals may not currently be on the Sick Leave Bank committee.

- E. Accounting: The District shall provide an accounting of the status and use of the Sick Leave Bank at the end of each contract year.

Subd.9. Earned Safe and Sick Time (ESST): Effective January 1, 2024, and each school year thereafter, the first forty-eight (48) hours of sick leave accrued shall be designated as ESST. However, a teacher shall not be eligible for sick leave during a period of time covered by child care leave. A pregnant teacher will also provide, at the time of the leave application, a statement from her physician indicating the expected date of delivery.

Subd.4. The School District may adjust the proposed beginning or ending date of a child care leave so that the dates of the leave coincide with some natural break in the school year (i.e. winter vacation, spring vacation, semester break or quarter break, ending of a grading period, end of the school year or the like).

Subd.5. In making a determination concerning the commencement and duration of a child care leave, the School Board shall not, in any event, be required to:

SECTION 11. RETURN FROM UNPAID LEAVE: A teacher on leave without pay may remain enrolled in District insurance programs by paying the full premiums at least one month in advance. The teacher may retain all other benefits as outlined in the contract but will not accrue seniority, advance on the salary schedule, be paid for sick days, or accrue additional sick leave during the leave period. The benefits to which a teacher was entitled at the time the leave of absence commenced shall be restored upon the teacher's return. Credits earned during the leave which have been pre-approved in writing by the Superintendent shall be accepted for salary placement. Payment for credits will be paid the second pay period after the teacher has resumed employment in the District. It is the teacher's responsibility to complete any and all forms required by the District Office upon returning to teaching duties.

SECTION 12. FAILURE TO RETURN FROM LEAVE: Failure of the teacher to return pursuant to the date determined under this Article shall constitute grounds for termination unless the School District and the teacher mutually agree to an extension in the leave.

SECTION 13. RETURN FROM UNPAID LEAVE: A teacher who returns from an unpaid leave within the provisions of this Article shall retain all previous experience credit for pay purposes and any unused leave time accumulated under the provision of this agreement at the commencement of the beginning of the leave. The teacher shall not accrue additional experience credit for pay purposes or leave time during the period of unpaid leave.

TEACHER DUTY DAYS: The School District shall establish the number of school days and teacher duty days for the next year and the teacher shall perform services on those days as determined by the School District, including those legal holidays on which the School District is authorized to conduct school, and, pursuant to such authority, has determined to conduct school. The school year shall consist of 183 teacher duty days including not more than 173 student contact days. A teacher may leave early on the last day of the year after check-out.

SECTION 2. EMERGENCY CLOSING: In the event of a student day or teacher duty day lost for any emergency, the teacher shall perform duties on that day or other such day in lieu thereof as the School District shall determine. However, teachers may leave after student departure on Fridays or on days preceding holidays.

SECTION 5. TEACHING LOAD AND PREPARATION TIME - SECONDARY TEACHERS: A normal teaching load for a secondary teacher shall be five instructional class periods, one supervisory period and a preparation period in a two-day block schedule. If a teacher is assigned a sixth instructional class period in lieu of a

SECTION 6. TEACHING LOAD AND PREPARATION TIME - ELEMENTARY TEACHERS: Elementary teachers will receive an equivalent amount of preparation time as that afforded to secondary teachers during the student day.

ARTICLE XI

SECTION 1. ELIGIBILITY: Full-time teachers shall be eligible for a matching contribution as provided in Section 4 hereof. Part-time teachers who work at least half-time shall be eligible for a pro-rata contribution based upon the percentage of the appointment. Teachers employed less than half-time shall not be eligible for the provisions of this Article.

SECTION 2. MATCHING PROGRAM: Teachers may participate in the 403b plan according to the amount and for the years as provided in this Article. All teachers may participate in the program, but only those that choose to contribute to an eligible 403b fund may receive School District matching funds.

SECTION 3. ELIGIBILITY AND ELECTION: All teachers shall receive 403b matching payments beginning with the fifth (5th) consecutive year of employment by the School District. Teachers must declare that match amount by September 15 of each year. The amount of the match shall remain from year to year unless a teacher notifies the School District in writing prior to September 15. Once set up with an initial five teachers, teachers may place their matching amount in a 403B Roth.

SECTION 4. MATCHING CONTRIBUTION: The matching contribution shall be as follows:

The maximum shall be computed based upon the maximum match that the teacher was eligible for each year as provided in Section 4. The amount for which the teacher was eligible will be included in the calculation for the lifetime maximum whether or not the teacher participated in any particular year.

ARTICLE XII

UNREQUESTED LEAVE OF ABSENCE

SECTION 1. PURPOSE: The purpose of this article is to implement the provisions of Minn. Stat. 122A.40, Subd.10, which article, when adopted shall constitute a plan for unrequested leave due to discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts.

SECTION 2. DEFINITIONS:

Subd.1. For purposes of this article the terms shall have the meanings respectively ascribed to them.

Subd.2. "Teacher" shall be defined in Minn. Stat. 122A.40 Subd.1.

Subd.3. "Qualified" shall mean a teacher who has on file in the School District office a current state certificate showing the teacher is licensed in the position sought.

Subd.4. "Seniority" applies to Tier 3 & Tier 4 full-time, continuing contract teachers and commences with the day of hire by the School Board and shall exclude those teachers who are acting incumbents for teachers on authorized military or other leaves of absences. A full-time teacher is defined as one employed for at least halftime for the full year. In the event an acting incumbent is immediately rehired as a regular teacher without interruption of regular service, such teacher shall retain his/her original seniority date. In determining the length of seniority, a teacher whose employment has been legally terminated by resignation or termination pursuant to Minn. Stat. 122A.40 including a probationary teacher, but whose employment was subsequently reinstated, by action of the School Board and the teacher, without interruption of regular service, shall retain his/her original seniority date.

Seniority shall continue to accrue while a teacher is on full time educational leave, military leave, or sick leave, but shall not accrue while a teacher is on a leave of absence without pay or on unrequested leave of absence.

Subd.5. "School Board" means the local governing board of the School District and its executive officers.

SECTION 3. UNREQUESTED LEAVES OF ABSENCE (ULA):

Subd.1. Terms: The School Board may place on ULA for a period not exceeding five calendar years from the time such leave is commenced, without pay or fringe benefits, such teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts. No licensed teacher shall be placed

on ULA if a paraprofessional is used to mitigate the loss of the teacher. Such leave shall be effective no later than the close of the school year or at such earlier time as mutually agreed between the teacher and the School Board. The School Board or its representative will discuss with the affected teacher and the exclusive representative prior to May 1 any anticipated ULA for the coming year.

Subd.2. Notice: Teachers placed on such leave shall receive notice by June 30 of the school year prior to the commencement of such leave with reasons therefore. A hearing will be provided as set forth in Minn. Stat. 122A.40, Subd.14, if a written request for a hearing is received by the School Board within fourteen business days after the teacher receives notice of placement on ULA.

Subd.3. Placement: Teachers shall be placed on ULA in inverse order of seniority. No qualified teacher shall be placed on ULA if there is any other qualified teacher with less seniority.

Subd.4. Tie-Breaker: In the event of a staff reduction, the seniority list, as established in Section 5 of this Article, shall be used to determine the order of seniority. In the event there is a tie on the seniority list, the School Board shall determine which teacher shall have the greater seniority.

Subd.5. Year of Service: Any teacher on such leave may engage in teaching or any other occupation during such period and may be eligible for unemployment compensation, if otherwise eligible under that law for such compensation and such leave will not result in a loss of credit for years of service in the District earned prior to the commencement of such leave.

Subd.6. Filing of License: In any year in which a reduction of teaching staff is occurring, and the School District is placing teachers on ULA, only those certificates or licenses actually on file in the Superintendent's office as of January 1 of such year shall be considered for purposes of determining lay off within areas of certification for the following school year. A certificate filed after January 1 shall be considered for purposes of recall, but not to the current reduction.

Subd.7. Benefits: A teacher placed on ULA may retain the District group health insurance coverage by paying the full premium in advance on a monthly basis.

SECTION 4. REINSTATEMENT:

Subd.1. Process: No new teacher shall be employed by the School District while any qualified teacher is on ULA who taught in the same field or subject matter at the time such qualified teacher was placed on an ULA. Such teachers placed on ULA shall be retained in the subject matter or field qualified at the time of placement on ULA. The order of reinstatement shall be in inverse order in which teachers were placed on ULA.

Subd.2. Notices: When placed on ULA, a teacher shall file his/her name and address with the School District personnel office to which any notice of reinstatement or availability of position shall be mailed to said teacher by certified mail. Proof of service by the person in the School District depositing in the mail such notice to the teacher at the last known address shall be sufficient, and it shall be the responsibility of any teacher on ULA to provide for forwarding of mail or for address changes. Failure of a notice to reach a teacher shall not be the responsibility of the School District if any notice has been mailed as provided herein.

Subd.3. Acceptance of Re-employment: If a position as provided in Subd.1. above becomes available for a qualified teacher on ULA, the School District shall mail the notice by certified mail to such teacher, who shall have twenty business days from the date of mailing of such notice to accept the re-employment. If written acceptance is not received by the School Board within such a twenty business day period, it shall constitute a waiver on the part of any teacher to any further rights of employment or reinstatement and shall forfeit any future reinstatement or employment rights.

Subd.4. Reinstatement: Reinstatement rights shall automatically cease five years from the date ULA was commenced, and no further rights to reinstatement shall exist unless extended by written mutual consent of the School Board and the qualified teacher. A written notice of agreement between the School Board and the qualified teacher will be given to the EDMN - Barnum President within fifteen business days.

SECTION 5. ESTABLISHMENT OF SENIORITY LIST:

Subd.1. Preparation: Prior to November 30 of each school year the School District shall create a seniority list of all teachers employed by the District. The seniority list will include name, date of hire, areas of licensure, and major and minor fields. A copy of this list shall be posted in each building and given to the Union. If there are ties in seniority, the following criteria will be used in this order of priority to break a tie: 1) total teaching experience in the District, 2) higher degree, 3) graduate credits, 4) greatest number of licensed teaching areas, 5) date of teacher's signature on contract. Seniority is based on the length of service in the District. A Tier 2 licensed teacher is eligible for seniority from their original date of hire once they become a Tier 3 or Tier 4 licensed teacher within the District. Note: Applicable back to July 1, 2018.

Subd.2. Request for Change: Any person whose name appears on such a list and who may disagree with the finding of the School Board and the order of seniority in said list shall have fourteen business days from the date of posting to supply written documentation, proof and request for seniority change to the Superintendent.

Subd.3. Final List: Within ten business days thereafter, the School District shall evaluate any and all such written communication regarding changes the School District deems warranted. A final seniority list shall therefore be prepared by the School District, which list as revised shall be binding on the School District and any teacher subject to the grievance procedure. Each year, the School District shall cause such a seniority list to be updated to reflect any addition or deletion of personnel caused by retirement, death, resignation, or cessation of service, or new employees. Such a yearly revised list shall govern the application of the ULA plan until thereafter revised.

SECTION 6. DROPPING OF LICENSE: A teacher shall not be permitted to exercise seniority to displace another teacher in a different licensure area by initiating the dropping of the license in the subject matter in which the teacher is currently assigned by the School District in order to acquire a different assignment through the unrequested leave of absence process. If a teacher initiates the dropping of the license which qualifies the teacher for the teacher's current assignment, the School District may place the teacher on unrequested leave of absence, and the teacher shall have no bumping rights nor realignment rights in another licensure area.

SECTION 7. EFFECT: This article shall be effective upon execution of this Agreement and shall be governed by its duration clause. This article shall govern all teachers as defined therein and shall not be construed to limit the rights of any other certified employee not covered by the Master Agreement or other Master Agreement affecting such certified employee.

ARTICLE XIII

GRIEVANCE PROCEDURE

SECTION 1. GRIEVANCE DEFINITION: A "grievance" shall mean an allegation by a teacher resulting in a dispute or disagreement between the teacher and the School District as to the interpretation or application of terms and conditions contained in this Agreement.

SECTION 2. REPRESENTATIVE: The teacher, administrator, or School board may be represented during any step of the procedure by any person or agent designated by such party to act on the party's behalf.

SECTION 3. DEFINITIONS AND INTERPRETATIONS:

Subd.1. Extension: Time limits specified in this Agreement may be extended by mutual agreement.

Subd.2. Days: Reference to days regarding time periods in the procedure shall refer to working days. A "working day" is defined as all week days not designated as holidays by state law.

Subd.3. Computation of Time: In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday.

Subd.4. Filing and Postmark: The filing or service of any notice or document herein shall be timely if it is personally served or if it bears a certified postmark of the United States mail within the time period.

SECTION 4. TIME LIMITATION AND WAIVER: A grievance shall not be valid for consideration unless the grievance is submitted in writing to the School District's designee, setting forth the facts and the specific provisions of the agreement allegedly violated and the particular relief sought within twenty (20) days after the date the first event giving rise to the grievance occurred. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the teacher and the School District's designee.

SECTION 5. ADJUSTMENT OF GRIEVANCE: The School District and the teacher shall attempt to adjust all grievances which may arise during the course of employment of any teacher within the School District in the following manner:

Subd.1. Level I: If the grievance is not resolved through informal discussions, the School District designee shall give a written decision on the grievance to the parties involved within ten (10) days after receipt of the written grievance.

Subd.2. Level II: In the event the grievance is not resolved in Level I, the decision rendered may be appealed to the Superintendent, provided such appeal is made in writing within five (5) days after receipt of the decision in Level I. If a grievance is properly appealed to the Superintendent, the Superintendent or designee shall set a time to meet regarding the grievance within fifteen (15) days after receipt of the appeal. Within ten (10) days after the meeting, the Superintendent or designee shall issue a decision in writing to the parties involved.

Subd.3. Level III: In the event the grievance is not resolved in Level II, the decision rendered may be appealed to the School Board, provided such appeal is made in writing within five (5) days after receipt of the decision in Level II. If a grievance is properly appealed to the School Board, the School Board shall set a time to hear the grievance within twenty (20) days after receipt of the appeal. Within twenty (20) days after meeting, the School Board shall issue its decision to the parties involved. At the option of the School Board, a committee or representative(s) of the Board may be designated by the Board to hear the

appeal at this level, and report its findings and recommendations to the School Board. The School Board shall then render its decision.

SECTION 6. SCHOOL BOARD REVIEW: The School Board reserves the right to review any decision issued under Level I or Level II of this procedure provided the School Board or its representative notifies the parties of the intention to review within ten days after the decision has been rendered. In the event the School Board reviews a grievance under this section, the School Board reserves the right to reverse or modify such decision.

SECTION 7. DENIAL OF GRIEVANCE: Failure by the School Board or its representative to issue a decision within the time periods provided herein shall constitute a denial of the grievance and the teacher may appeal it to the next level.

SECTION 8. ARBITRATION PROCEDURES: In the event that the teacher and the School Board are unable to resolve any grievance, the grievance may be submitted to arbitration as defined herein:

Subd.1. Request: A request to submit a grievance to arbitration must be in writing signed by the aggrieved party and such grievance, must be filed in the office of the Superintendent within ten days following the decision in Level III of the grievance procedure.

Subd.2. Prior Procedure Required: No grievance shall be considered by the arbitrator which has not been first duly processed in accordance with the grievance procedure and appeal provisions.

Subd.3. Selection of Arbitration: Upon the proper submission of a grievance under the terms of this procedure, the parties may within ten (10) days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on the arbitrator is reached, either party may request the Commissioner of the Bureau of Mediation Services to submit a panel of seven arbitrators to the parties, pursuant to the PELRA, provided such request is made within twenty (20) days after request for arbitration. Within ten days after receipt of the panel, the parties shall alternately strike names and the remaining name shall be the arbitrator to hear the grievance. The order of striking will be determined by lot. The request shall ask that the panel be submitted within ten days after the receipt of said request. Failure to agree upon an arbitrator or the failure to request an arbitrator from the Commissioner within the time periods provided herein shall constitute a waiver of the grievance.

Subd.4. Hearing: The grievance shall be heard by a single arbitrator and both parties may be represented by such person or persons as they may choose and designate, and the parties shall have the right to a hearing, at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing de novo.

Subd.5. Decision: The decision by the arbitrator shall be rendered within thirty (30) days after the close of the hearing. Decisions by the arbitrator in cases properly before the arbitrator shall be final and binding upon the parties, subject however, to limitations of arbitration decisions as provided in the PELRA. The arbitrator shall issue a written decision and order including findings of fact which shall be based upon substantial and competent evidence presented at the hearing. All witnesses shall be sworn upon oath by the arbitrator.

Subd.6. Expenses: Each party shall bear its own expenses in connection with arbitration including expenses relating to the party's representatives, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording of the hearing shall be made at the request of the party. The parties shall share equally the fees and expenses of the arbitrator, the cost of the transcript or recording if requested by either or both parties, and any other expenses which the parties mutually agree are necessary for the conduct of the arbitration. However, the party ordering a copy of such a transcript shall pay for such a copy.

Subd.7. Jurisdiction: The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written Agreement; nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined herein; nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include but are not limited to such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure, and selection and direction and number of personnel. In considering any issue in dispute, the arbitrator's order shall give due consideration to the statutory rights and obligation of the public school district to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operations.

SECTION 9. ELECTION OF REMEDIES AND WAIVER: A party instituting any action, proceeding or complaint in a federal or state court of law, or before an administrative tribunal, federal agency, state agency, or seeking relief through any statutory process for which relief may be granted, the subject matter of which may constitute a grievance under this Agreement, shall immediately thereupon waive any and all rights to pursue a grievance under this Article. Upon instituting a proceeding in another forum as outlined herein, the employee shall waive the right to initiate a grievance pursuant to this Article or, if the grievance is pending in the grievance procedure, the right to pursue it further shall be immediately waived. This section shall not apply to actions to compel arbitration as provided in the Agreement or to enforce the award of an arbitrator.
